

Find your perfect pair  
of Fits Over Sunglasses

### Step 1. Print This Guide

Print at 100% scale on standard "letter" paper

*Match a nickel with this image to confirm size/scale is correct*

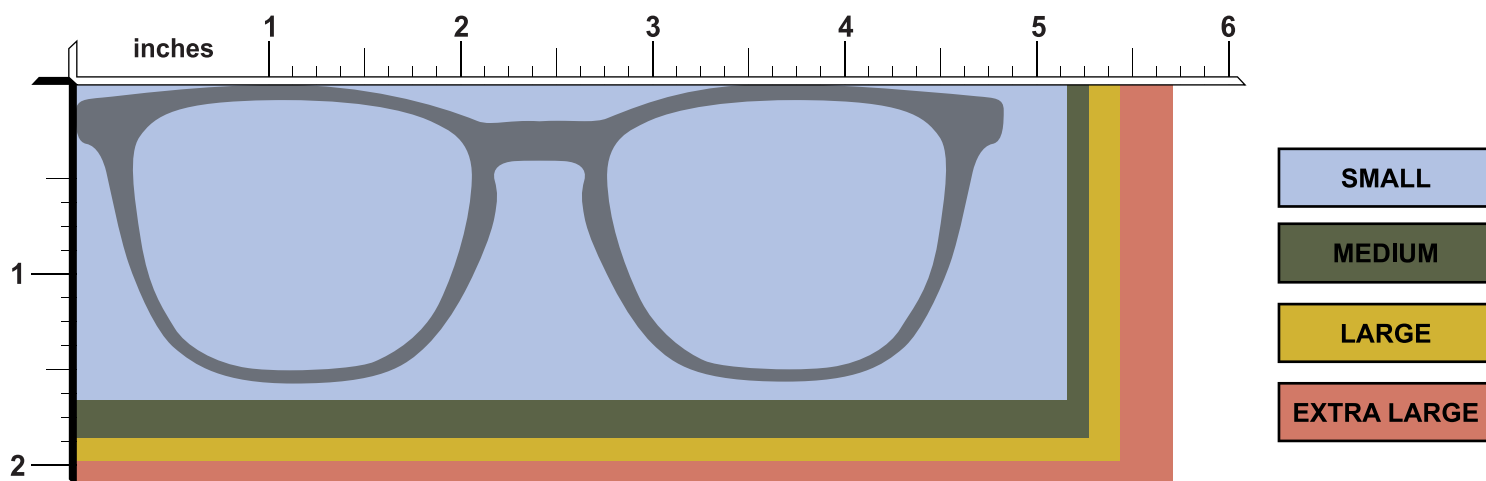

### Step 2. Find Your Size

Use the tool below like a ruler

Place your eyeglasses in the upper left corner to find the best color box for you

*Hint: Your glasses should fit completely inside the color box*

### Step 3. Find Your Shape

Locate the size/color box section in following pages

Place your eyeglasses inside colored outlines to find the FO model No. that fits best

*Hint: Your glasses should fit completely inside the colored outlines*

*Hint: Search FO Model No. on website for styles that fit your glasses*
